Vehicle Description

A really clean and tidy example of the very popular Passat and this one has been maintained properly with a full VW service history, we have just completed a full service and a full valet and comes with MOT until MAY 2020.

A great looking car with very low running costs and a good spec list including alloy wheels, front fogs, air conditioning, bluetooth, leather multi function steering wheel, cd player with aux, electric windows and mirrors, remote locking with 2 keys, traction control and black cloth upholstery with front arm rest.

Excellent value for money, a lovely driver and great example all round!!
