Vehicle Description

A great example that is very clean and tidy for the miles and has been maintained brilliantly with a full VW service record with 7 stamps in the service book, plus we have just completed a full service and full check.

Just fully valeted by us and looks great, complete with MOT until JAN 2021.

Massive spec list on this model includes alloy wheels, roof rails, front fogs, rear parking sensors, spotless black cloth upholstery with front armrest and a leather multi function steering wheel, air conditioning, remote central locking, bluetooth, traction control, air conditioning, cd player with aux and electric windows and mirrors.

A nice looking car in great condition that has been maintained properly!!!
